CRIME IN AFRICA

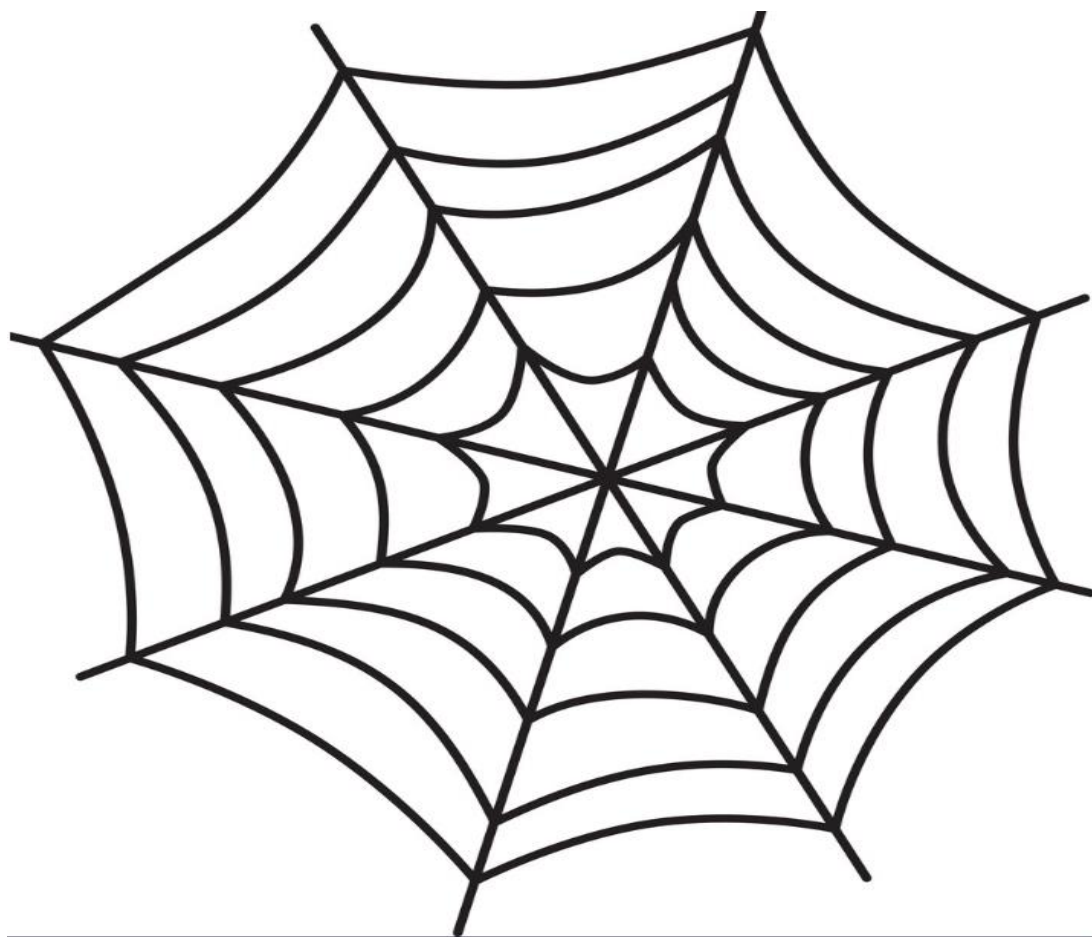

- **The Extension Of Community Violent Clashes By Teenagers & Youths increases crime in Africa.**

OUR GUIDING AIMS

OUR GUIDING GOALS

INTRODUCTION

- **We are set of organ working to prevent crime in Schools from Primary School to Higher Institutions of learning with remarkable impact.**
- **Till date, we have painstakingly increased the level of crime prevention in Institutions for higher productivity in strategic exposition of dangers in social vices, rehabilitation of deviant students, and reintegration of student Out of Parental Control to their families, as we engage professional input for safer school environment.**
- **I am Folayinka Ige, pioneer of National School Crime Prevention Corp (NSCPC) registered legally as SCHOOL CRIME PREVENTION ORGANIZATION here in Nigeria which serves as one among many in the mild application of VISUAL METAPHOR DISPLAY for rehabilitating young school children, adults child, propagating peace and safety awareness in the society.**
- **We have been to over 500 schools, including tertiary institutions across Nigeria, teaching over 300,000 students on peace and violence prevention strategies with rehabilitation .**

- 
- **program for over 1500 students, averting destruction of lives , stopping burning down of schools , conducting violence prevention and school safety guides program titled (EXPERT MEETING STOPPING VIOLENCE IN SCHOOLS ROLE OF STAKEHOLDERS) to more than a thousand Head Teachers in Primary School here in and inducting numerous Principals as School Crime Prevention Managers.**
 - **As part of SDGs goal, 4 in particular we are committed to the course of quality education, children's behaviour, and societal values re-engineering specifically prevention of school/ youth-in-community crime etc. As the proper monitoring of children live is the safety of the future!**

- 
- **We will be much willing to partner and enumerate further in this peace-building assignment to African Nations.**
 - **The use of VISUAL METAPHOR DISPLAY has been highly applauded in more than 500 Schools as a unique tools of School Crime Prevention and PEACE BUILDING methodologies which can also be applicable in other Africa Countries across the World.**
 - **We have volunteers who are willing and ready to jointly work in the area of school peace building and violence prevention team if we can be mentored by International Partners.**
 - **Our daily access of meeting with them is a great opportunity to change the course of humanity with the little we have.**
 - **Thank you very much for the privilege to talk with you, attached some photos of recent / on going activities, your additional methods can also be of greater help here, learning from great people who were frontiers in international forum of crime prevention.**
 - **All the best,**

- 
- In respect of Ministry of Education's school protocol we have letters of authority of partnership with 5 States across the Country , given us free access to enter into all schools as agreed to lecture, organize assembly admonition, counselling and bringing up parent / teacher seminars .(This is not sometimes easy to access for local NGO)
 -
 - Major constraints lie in the technical facilities to give the program a continuous follow up for wide spread results to reduce interwoven of joint organized crime been facilitated by movement from rural area to urban and vice versa.
 -
 - Please note, with a right local effort laced with substantial platform it can prevent crime in the school society and the immediate community as they know with good evidences where the shoe pinches/ dark spots and the judicious application of **VISUAL METAPHOR DISPLAY** as a creative tools amounting to 164 in number can significantly contribute to **LOCALLY LED PEACE-BUILDING WORKING GROUP**.
