

Global Compact *on* Education

1

To make human persons the centre

To make human persons the centre of every educational programme, in order to foster their distinctiveness and their capacity for relationship with others against the spread of the throwaway culture.

2

To listen to the voices of young people

To listen to the voices of children and young people in order to build together a future of justice, peace and a dignified life for every person.

3

Promote women

To encourage the full participation of girls and young women in education.

4

Empower the family

To consider the family as the first and essential place of education.

5

Open at reception

To educate and be educated on the need for acceptance and in particular, openness to the most vulnerable and marginalized.

6

Renew the economy and politics

To be committed to finding new ways of understanding the economy, politics, growth, and progress that can truly stand at the service of the human person and the entire human family, within the context of an integral ecology.

7

Take care of the common home

To safeguard and cultivate our common home, protecting it from the exploitation of its resources and to adopt a more sober lifestyle marked by the use of renewable energy sources and respect for the natural and human environment.
